### WEAKNESSES

- Presentation skills are not good yet.
- English is still weak.

## ACHIEVEMENTS

- Outstanding students of 2023, 2024.
- Get 2 workshop certificates.

## MY HOBBY

- Design interface for website.
- Listen to music, do exercise

---

# MY PROJECTS

---

## PROJECT NAME

### Admin System

09/2024 – 12/2024

Link web:

<https://admin-core.dsp.one/>

Code and password: sonnu - 1

## PROJECT DESCRIPTION

Admin console for DSP (Demand Side Platform) system – a platform used in programmatic advertising.

### TECHNOLOGY USED

- ReactJS
- Typescript
- TanStack Router
- Ant Design
- NodeJS

### MAIN FUNCTIONS

Manage technology products, promotions, price lists, warehouses, orders, users,...

---

### Movie Ticket Booking Website CyberScreen

09/2024 - 11/2024

Link Github:

[https://github.com/SonLeanCode/  
Fe-BookMovieTickets](https://github.com/SonLeanCode/Fe-BookMovieTickets)

Online movie ticketing website project helps users book tickets to the movies they want to see right from the comfort of their home.

### TECHNOLOGY USED

- HTML & CSS
- Javascript
- TailwinCSS
- NoSql: Mongo DB (Atlas)
- Front-end: ReactJS
- Back-end: NodeJS

### MAIN FUNCTIONS

Watch trailers, buy tickets, log in, register, update information, pay (momo, cash) and manage functions on Admin side.

---

### Personal information website

01/2025 - 01/2025

Link Github:

<https://github.com/ThanhSon0210/portfolio>

personal website about myself, my skills, experience, projects

### TECHNOLOGY USED

- HTML & CSS
- Javascript
- TailwinCSS
- Sql: Laragon
- Front-end: ReactJS
- Back-end: NodeJS

### MAIN FUNCTIONS

Sign up login, contact, view information, skills, schools, projects and project details.
